The World's Greatest Soccer Players (The World's Greatest Sports Stars (Sports Illustrated For Kids))

Synopsis

KakÃ¡ may be the greatest soccer player in the world. His skills are unmatched on the field. Fernando Torres can score goals almost at will. And players rarely get a ball past Gigi Buffon. Whether you like offense, defense, or goal-tending, the gameâ€™s greatest stars can show you how itâ€™s done.

Customer Reviews

I couldn't tell from the website, but this book is very thin. I bought it for my ten year old and this is for a younger age. I just bought the book "A beautiful game" author is Tom Watt I believe. about soccer players around the world and how soccer changed their lives. And this is much more stimulating

My 9 year old boy loves this book! He sometimes reads the text page to page and other times just flips though it to look at the pictures. Great book for a soccer lover!

Overall an ok gift I suppose, however customers considering buying this item should be aware that it's really just a small and very slim leaflet for kids, 32 pages with mostly pictures. Hardly a "book" and barely a magazine. Definitely overprized as it feels so disposable.

My son likes the book because he can read quickly the most important info about his favorite soccer player and some more.

I am a dedicated customer and am disappointed...I expected a 'book' that my 11 yr old passionate soccer son would treasure as a keepsake and would cherish as his Christmas gift (which is why I did not buy the cheaper Kindle edition), but instead was shocked to get a "booklet" with pages stapled together ...well, I could have done that myself with all the information and pictures from the internet and created it myself, instead of paying >\$8.95 + shipping for the so called 'book'. I feel sad that I had just glanced at the 5 star rating, but did not read through the lowest reviews...more so, because this was the most special Christmas surprise that I planned for my son today and feel like a complete "let down".

There was a lot of players that I know and like in this book and there was some players that I just learned my favorite was Cristiano ronaldo I like how he plays with a lot of skill

Great for a soccer fan! This is like any trading card. If you are collecting them or your child is, then this is a great gift.

Great book with good facts yet a little to short.Good read.A good four star book to read and share.PAGES PEOPLE
