Matthew For Everyone, Part 2: Chapters 16-28 (The New Testament For Everyone)

Synopsis

Tom Wright's eye-opening comments on the Gospel of Matthew and what it might mean for us are combined, passage-by-passage, with his fresh translation of the Bible text. Making use of his true scholar's understanding, yet writing in an approachable and anecdotal style, Wright captures the urgency and excitement of Matthew's Gospel in a way few writers have. Tom Wright has undertaken a tremendous task: to provide guides to all the books of the New Testament, and to include in them his own translation of the entire text. Each short passage is followed by a highly readable discussion with background information, useful explanations and suggestions, and thoughts as to how the text can be relevant to our lives today. A glossary is included at the back of the book. The series is suitable for group study, personal study, or daily devotions.

Book Information

Series: The New Testament for Everyone

Paperback: 228 pages

Publisher: Westminster John Knox Press (January 1, 2004)

Language: English

ISBN-10: 0664227872

Customer Reviews

"Matthew for Everyone" is part of the New Testament series of books by N.T. Wright, which includes "Mark for Everyone" all the way through "Revelation for Everyone." The series is nothing less than sensational and, in spite of his contributions to theological debates, is one of Wright's most important contributions to the good of the Church. I'm studying various commentaries and devotionals to find those that are most profitable for God's people, including myself, and Wright's "[_____](#) for Everyone" series is a magnificent set of commentaries I highly recommend. One of the

most remarkable aspects of the series is Wright himself who is not only a world-class theologian and scholar but also, it turns out, an exceptional popular writer. In each volume in the series, Wright makes use of his academic knowledge of the language of the Bible (he provides his own translation of each book!) and the historical and literary background and combines it with an enjoyable, readable style. He has accomplished something that I as a priest, teacher, and writer can only hope to imitate in a less monumental way. Wright's commentaries have a different flavor from most commentaries. He doesn't comment on or explain each verse but looks at each passage as a whole, making comments on the key themes and most important points. He brings to life the distant ancient world of the New Testament in a way that Everyone can understand. One of the things that helps him do this is the useful illustrations that he uses throughout. While the books in the series are not exactly devotional commentaries, the fact that they are popular, use illustrations, and offer brief reflections on the meaning of the passage for today, they can be used in devotional way.
