The Revealing Word: A Dictionary Of Metaphysical Terms (Charles Fillmore Reference Library)

Synopsis

The Revealing Word is a volume in Charles Fillmore Reference Library that will help you bring the Bible to life. This reference work is a metaphysical dictionary of common names found in the Bible, as well as words and phrases that are frequently used in Unity and New Thought teachings. The Revealing Word will help you find inner meaning for words in a way that will bring new depth of understanding and awareness to your daily life. This book complements Charles Fillmore's much larger work, Metaphysical Bible Dictionary, which presents the meanings of scriptural proper names as well as places found in the Bible. These two unique books are the foundation of Charles Fillmore's inspired thinking and teaching. The Unity movement was founded in 1889 by Charles and Myrtle Fillmore. Unity successfully incorporates traditional Christian religion with metaphysical principles, for example, the use of the law of cause and effect and affirmation to bring about change in our lives and to bring us closer to God.

For the metaphysical Bible student, two books are essential: Unity's Metaphysical Bible Dictionary and The Revealing Word. Whereas the Dictionary gives the metaphysical meaning of the names and geographical locations in the Bible, The Revealing Word provides the metaphysical meaning for concepts, words, animals, characteristics, and objects. It is an invaluable companion to the Dictionary. Want to get excited over the Bible? Purchase these two books and settle in for years of

fascinating study. Ministers, these are excellent resources for adding depth to your sermons. The Scriptures come alive in ways not afforded by the traditional surface exegesis!

Necessary and excellent companion to the Bible. This book explains Biblical concepts clearly as it applies to all persons in any situation as well as how we can see ourselves in all of the stories of the Bible. It has and continues to assist me with understanding the Bible in a new and exciting way!

Brief but informative re: key words in Charles Fillmore writing. It also references what book he wrote. Gives the reader a quick guide to his thinking.

This is a must have in combination with Fillmore's Metaphysical Bible Dictionary if you want to interpret scripture and get to the True meaning of what is being taught about the soul's journey.

sorry I waited so long to read this but glad I did now!any Unity person and many others will likely enjoy it.

Wonderful tool to use along with the Metaphysical Bible dictionary, for the serious student of Christian or other Metaphysics!

I was already very famiar with this book.....it's been around for a long time. I ordered it for a Unity friend.
