Customer Reviews

I bought this for a former student who visits my class regularly. He is very interested in the Civil War. I hope that more American History will be taught in all public schools rather than the mind-numbing test drills .

This was an excellent book, my 8 yr old grandson opened it on Christmas morning and had read it 3 times by bedtime. He loved it.

I got this book for my cousin, she is a big civil war buff. She left me know that she is really enjoying her book. I am very pleased with the fast service on delivering this item.

Grandson enjoyed reading this book.

My 9 year old loved this story!
