Customer Reviews

We love Arch Books at our house! This one is beautifully illustrated, and depicts Jesus loving on children of all ages and backgrounds. The story is written in an easy-to-understand way. It's just the right length for holding young children's attention.

My sons were reading as soon as the books arrived. The content is interesting good for grade1-3 with vivid pictures and good paper quality.

These books are our favorite! The kids love picking out what Bible Story we are going to read! It's nice to take one of two along instead of having a big book with a lot of different stories in it!

I bought these books several times before, they are great simple books that appeal to young eyes.

Fast shipment. Will continue to buy - thanks!

My dd loves these Arch books. It's a great way for us to spend time together while she learns about God.

Beautiful story - teaches children that even they are important!

Good book, but it is for children younger than 6th graders.
