Customer Reviews

I don't have children but thought this book was very sweet and has a wonderful message for everyone, not just for children. The illustrations are lovely. If you love cats, you will want to have a copy of this book.

I am a huge Jan Karon fan, having read the entire Mitford series, and looking forward to her new book coming out soon. I purchased her children's books for my "Grandma's hope chest." It is a wonderful book for children and the illustrations are magnificent. I am delighted to say that I will soon become a grandmother and I can't wait to be able to read this book to my granddaughter one day. I highly recommend it.

This is wonderful childrens book that is about Violet a Cat of the Mitford Series by Cynthia, Father Tim's wife. Great illustrations and will be a gift for my Great Gtandson when he is able to be read this wonderful book by his Mom or Dad.I recommend this book and another Violet book that is by the same author. A great book for children who can read or have their parents read it to them. A delightful book.I even loved it and I did read it as soon as it arrived. Children will love this book.

This is a wonderful story on its own and a great second book about Violet. I collected all the Mitford stories about Father Tim and Cynthia. I'd wondered what Cynthia would write for children. Now I know!

As a reader of Jan Karon's Father Tim books, i wanted to share something from this author with my 5 year old niece. I usually bring three for her. I am the aunt who comes twice a year, with books for her and for her older sister, (now in her teens). I find one good book for the older one and put a gift card inside. The girls were happy with my choices.

Really nice childrens book and if your a Mitford book series fan, it's a great companion...

I love children's books. As an empty nester no children's books have been included in decluttering or downsizing with exception of books retrieves by our children for our grandchildren. This delightful book will be read my grandma and grandpa over and over. Thanks for sending promptly and in excellent condition.

I just bought this book yesterday for my 4-year old. It's just what I have been looking for!! It is foremost grounded in the values with which I am raising my children. It also is a sweet story with excellent read-aloud vocabulary--not overly simplified vocabulary commonly found in children's litreature. The illustrations are beautiful and peaceful.Alice and her pet cat, Violet, are from the city. They visit Alice's aunt and uncle, who live in the country. The story gently gaptures the reader's interest as poor Violet innocently gets into various kinds of mischief. Unfortunately, it is Uncle Leo, who "was never much of a cat person", who keeps getting inconvenienced by Violet's mishaps.I couldn't be more pleased to have discovered this book. My daughter, who has shelves of quality books, pronounced this to be her favorite book. It's an overall feel good book written by an extremely gifted author.Thank you, Ms. Karon!!
