What can I say - if you like Chris Tomlin, you will love playing along with this book! My daughters use it for playing the piano, but it also includes guitar and vocal.

Love this Album! Christ Tomlin sears the word of the Lord on my heart. I give it five stars! The Music on this Album Lifts me up to the Lord.

perfect combination of gratifying success and challenge to practice! Motivation to play songs that are so loved by so many.

This book has great arrangements of these songs and are pretty true to the original recordings! I love playing and singing these songs to my audience of One! Read Psalm 38 for encouragement today.

A good writer and singer but sometimes I like it a little gentler
