The Christian Book Of Mystical Verse
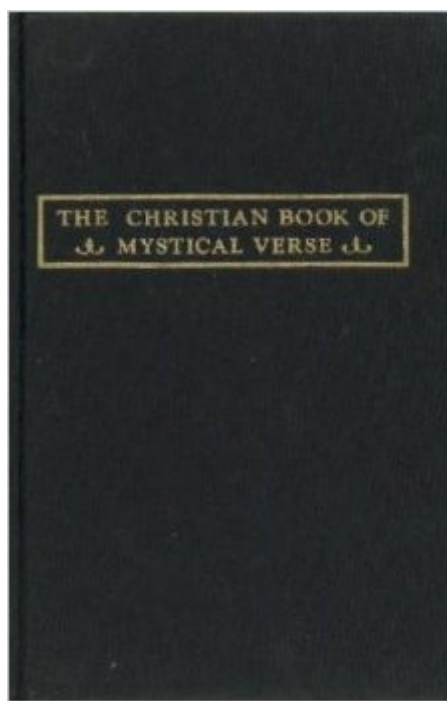

THE CHRISTIAN BOOK OF
MYSTICAL VERSE

Synopsis

Original 1963 edition. Selected and with an introduction and notes by A.W. Tozer. The purpose of this book is to bring together in one convenient volume some of the best devotional verse the English language affords, and thus to make available to present day Christians a rich spiritual heritage which the greater number of them for various reasons do not now enjoy. Includes works by Isaac Watts, Oliver Wendell Holmes, F.W. Faber, Milman, Shirley, Wesley, Rossetti, Gerhardt, Pollock, Tate, Brady, Tersteegen, Ware, Nicolai, Bonar and others. Tozer served 44 years of ministry, associated with the Christian and Missionary Alliance, a Protestant evangelical denomination; 33 of those years were served as a pastor in a number of churches. He is the author of dozens of books, two of which, The Pursuit of God and The Knowledge of the Holy, are considered classics. His books impress on the reader the possibility and necessity for a deeper relationship with God.

Customer Reviews

What a book! Tozer really spent time finding these Jewels of Christian poetry and verse. Some of these songs seem as if they are from another world because of the grandeur of vision and majesty of revelation. Thankful for the encouragement this book has brought to my life.

Three thumbs up and spectacular

This used book was a gift for my granddaughter. It came in perfect condition for a used book. It is a

classic book with Christian poems from previous generations, an excellent collection.
