The Worship Leaders Guitar Hymn Book (Book & CD)

Synopsis

This book features more than 30 classic hymns for a guitar-playing worship leader. For each hymn, guitar chords, lyrics, and melody are provided to enable simple strum-style congregational accompaniments. For more advanced guitarists, an intermediate-level fingerstyle arrangement for each hymn is provided as well. Additionally, there are five advanced solo guitar arrangements that are excellent for use as instrumental preludes, postludes, recitals, and more. The included data CD contains fully orchestrated play-along accompaniment MP3s for all 32 hymns for use during services and performances, plus the five solo arrangements. In addition, PDF lyric sheets that can be printed and distributed to the congregation are embedded on the CD. Finally, the included TNT software allows you to change the tempo of the recordings and even change key!

I consider myself a intermediate classical guitar player. i found that these arrangements of classical hymns vary from simple to challenging. The beginning arrangements are simple and easy for the majority of the contents, but on some i simply add a few notes to enhance a bit more. The solo arrangements at the end are challenging and beautiful to play; the pieces will be a great mix of hymns once mastered. overall a very good book.

Great book of hymns with music and tabs for guitarists. Love it! Thanks!

Do not waste your time (or money) on this book. The CD is also horrible.

I bought this book for my uncle and I liked it so much that I got a second one for myself. It has been a joy to play out of it. My uncle loves it too.

i can not comment too much on this, because i'm a beginner in guitar, it is a god product, but i would not recommend it for beginners.

Great tabs and excellent music selection, thank you
