The Power Of A Praying® Mom: Powerful Prayers For You And Your Children

Synopsis

If we can be sure our children have strong faith in God and His Word, and the love of God in their hearts, then we can trust that they are set for eternity. Our prayers play a big part in helping them achieve that. ~Stormie
Bestselling author Stormie Omartian's heart resonates for you as a mom who wants to lift up your children to the One who is a Father to all. Gathered in this charming little book are prayers in pairs: One for you, Mom, and a corresponding one for your children. Each set covers a topic dear to your mother's heart—such as your children's relationship with the Lord, their growth in faith, their health, family, and friends, and so much more. Also included are Scripture verses and blank lines for you to write prayers that are specific and personal to you and your family. Let this lovely keepsake be a powerful reminder of how God works through praying mothers, and how covering your children in prayer will give you peace for every aspect of their lives.

Customer Reviews

I purchased this book on kindle app, and I was expecting it to be similar to Stormie's praying wife book. It's not. It's not a full book, it's only the book of prayers (and it says journal). The reason why I am disappointed and gave it three stars is because there is no mention or indication that this is just prayers. There should be a disclaimer, not marketed as a full book. Unfortunately, if you buy it as a kindle version you can't use it as a journal either. It would be a great quick reference, (each prayer is about 5 sentences) if that's what you're looking for - it's super quick reading. I returned it right away and plan to purchase the power of a praying parent instead. I'd like a little bit more content. It says 170 pages, so maybe I missed something but with the Kindle version I received, each

chapter/day was less than a page each.

Not what I had expected in terms of the size of the book. Having read several of her other books this one was much smaller than previous printed material. I know this isn't your problem but the printing companies.

I loved this book, so many many good prayers that speak directly to the heart. You read exactly what I feel is meant for that day I feel!

Was purchased as a gift for a friend, must purchase one for myself

I am keeping my comments simple. I am always praying for others, and I have learned to include me in my prayers. I love Stormie Omartian. This book has really helped me.

Fabulous, scripture-based prayers!

it's a powerful book

What a blessing!!!!
