Customer Reviews

Ministering the Steps to Freedom in Christ is one of my favorite books sold by Freedom in Christ. The best part about it is it includes almost all versions of The Steps. AND it is reproducible. It is great if you are working in almost any ministry (prison, teen, marriage, youth, adult, new church, etc). It is currently out of print, so get it while you can. There is hope of a reprint with FICM, but nothing concrete as of today.

This is a book everyone should buy and go through with someone. It is useful in tracking down parts of your life that you had issues with.

Wonderful tool for leaders in ministry--especially in the area of encouragement, crisis counseling, intercessory, Christian discipleship

very helpful
