I have used the planner for several years. IT works wonderfully if the pastor goes by the lectionary, but if not , it is impossible to match hymns and anthems with scripture if it not listed in that book. It would be great if there could be a listing of all scriptures used, and date for the three year cycle.

There was a book that did this , but is out of print and the purchase price is \$3110. used \$365.

Instead of having to look in the past three planners to find a particular scripture and accompanying hymns and anthems in UMH, Faith WE Sing and Songs of Worship, having it included in the yearly planner, would be a great help.

I have used this planner in the past, but I use the Kindle edition. I'm disappointed the 2016/17 CEB version isn't available in Kindle. I know the "new" NRSV is available for Kindle, please consider publishing the CEB version for Kindle as well.

I used the worship planner last year. It met all my expectations. I am music director at our church, and the selections for the music made my job so much easier. Thanks.

We use this every week, every year in our worship planning.

It's just what I needed to begin planning!

Great planner for liturgical services.

Good service. Very satisfied!!
