Love this book. Almost like the "sound of music" story line. Love happy ending

I read this book a long time ago when I was a teenager. I loved it then and still love it now as an adult. The story is Christian and wholesome. The book holds your attention with all the interesting things that happen to the main character, teaches a good lesson and has a cute romance in it as well. Good for all ages.

Five stars. Good clean book. Enjoyed it would read it again and let my 11 year old read also. Ok
