Scott Foresmen Social Studies Workbook, Grade 2

Synopsis

Like you we know that time is a precious commodity these days with packed schedules, testing requirements, and more. The newest addition to our product line can help you make the most of the time you have. The Quick Planning Guide “ developed in conjunction with Grant Wiggins, President of Authentic Education and author of Understanding By Design “ gives you the best of both worlds: planning suggestions to make the most of your time, and a focus on the Essential Questions that will drive student understanding. Scott Foresman Social Studies helps you make a difference.

Grade Level: 2 and up

Customer Reviews

This workbook was purchased for our homeschool curriculum. There is a textbook that goes with it, but even if you don't have the textbook, the workbook covers the main skills that are in the textbook. The sheets are perforated so you can easily tear them out. The worksheets have the instructions on the bottom of the pages. There are also home activities that the student can do.

Scott Foresman books and work books are always a go to choice for my homeschooling social studies and science. The literature is always on level, interesting, filled with great pictures, and unit projects. My students can read independently and comprehend. I really appreciate these books.

It's a little light. I was going to return it, but time got away from me. I don't have the Scott Foresman

curriculum, but thought I might be able to work some of the pages into my lesson plans. Not really worth it.

Im a firm believer in a workbook for every kid...I hate worksheets...they are unorganized, they get lost. This is a good basic workbook for social studies.

This workbook goes well with the text book. Again I used this to supplement my students summer work and this workbook helped reenforce the textbook information.

Perfect compliment to the textbook. We photocopy so that we wont have to rebuy for our younger children.

Used as brainwork for my brain injured brother. Arrived in good condition

Mint conditionNo complaints
