Synopsis

In this book, readers can imagine themselves as the main character, a girl who has worked hard to become a good diver. She's one of the best on the team, until her spot is threatened by the success of a friend. Does she switch sports and try something else? Does she swallow her pride and support her friend's success? And if she sticks with the diving team, can she ever be satisfied with second place? As readers dive in and make some decisions, they may find pride in a few unexpected places.
