I ordered this bible on December 12, 2015 and have been anxiously awaiting its arrival. Let me say: it has been worth the wait! I cannot wait to start digging into God's word. I love to find a new Bible, try new translations and different study Bibles and soak in the word of God in new ways every day. This isn't just a beautiful bible - it is also an easy to read translation! New living translation is smooth

and fantastic for reading the bible in a story like manner. The soft cover almost has a vinyl feel and a beautiful picture of butterflies, flowers and a bird.... Some of my favorite reminders of God's creation. Also, note the side of the soft cover bible has different Rt the the hard cover. It also does not have the band to keep it shut. However, it is very flexible and seems durable. The size is perfect to carry along and yet the type is easy to read. The sidebar is about 2" and on most pages, so you can journal in your own prayers, thoughts or verses. There is a beautiful gifting page if this is something you'd like to gift- I think anybody would be thrilled to have such a beautiful bible and the translation is perfect for a beginner to understand and have depth in God's word. The BEST part is the beautiful scriptures that have been drawn out on some of the most impactful scriptures of the living word. The pages are about the same thickness of any other bible you'd find, so I'd recommend using pencils in this book to avoid bleeding through the pages (unless that isn't something that bothers you). I really like the size of this bible compared to some study bibles that can be heavier (albeit worth it with the info), this will be easy to take with me to church/bible studies/trips.
