Harlem Hellfighters

Synopsis

"Lewis's poetics are perfectly complemented by Kelley's evocative pastel illustrations, which both inspire and unsettle." — "New York Times" They went by many names, but the world came to know them best as the Harlem Hellfighters. Two thousand strong, these black Americans from New York picked up brass instruments — under the leadership of famed bandleader and lieutenant James Reese Europe — to take the musical sound of Harlem into the heart of war. From the creators of the 2012 Boston Globe — "Horn Book Award Honor Book, *And the Soldiers Sang*, this remarkable narrative nonfiction rendering of WWI — and American — history uses free-verse poetry and captivating art to tell century-old story of hellish combat, racist times, rare courage, and inspired music.

Age Range: 10 - 13 years

Grade Level: 4 - 7

Customer Reviews

What a wonderful tribute to Jim Europe and his soldiers in WWI! "Somewhere" gave me shivers when I figured it out with the subtle illustrations. I am giving this book to my fourth-grade grandson for Christmas.

Book #96 Read in 2014 Harlem Hellfighters by J. Patrick Lewis I don't really know how to categorize

this book so here it goes: it is a graphic novel about true events...that makes sense, right? This book details the contribution of African-American soldiers during World War I. It contains beautiful illustrations, short verse poetry and power messages. This is a very quick read and can be used as an introduction to historical events on a K-12 level. I borrowed this book from the public library.<http://melissasbookpicks.blogspot.com>

While this is pretty, it is pretty light on content. If you want to read a more rounded story, I'd recommend Max Brooks's graphic novel with the same title.

great get it now
