## Customer Reviews

I attended the program based upon this book. I received the book as part of the program. First let me say, this is done by Adam Hamilton not someone named Moore. This review system has to be better. Too many reviews are of Yes, I Have Sinned by author Moore. This book is very cursory, and if you see the DVD, Rev. Hamilton says, 'I am not a theologian nor am I a Church historian'; that is not his purpose. Rather it is to give his congregation an overview of who the major denominations are, where they came from, trying to put it into context though the history of each is far more complex than he has time or cares to cover. Bottom line is, we are all Christians and we all have elements of worship and tradition that deserve the attention and respect of the other and which, when stripped of prejudices so rampant in human history, can enrich our own understanding and

worship of God, His Son, Jesus Christ and the Trinity. Other than that, it is a very good and gentle (as Adam Hamilton seems to be) path to remember Jesus' high prayer, 'That they all may be one...
