The Adversary: The Christian Versus Demon Activity

Synopsis

Spiritual warfare is real, and we are all involved whether we like it or not. The Bible plainly tells us that Satan schemes against humanity and that he wants to devour us. Daily we struggle against Satan's strategies and his desire to take over God's kingdom. This battle will not go away, and ignoring it could be disastrous. But don't be afraid. The victory is already won by Christ. No enemy is powerful enough to overcome the risen savior. In these pages, Mark Bubeck exposes the reality of the conflict and the hope believers have. He answers such questions as: What is Satan's strategy in spiritual warfare? Can a Christian be oppressed by demons? Can demonic affliction be passed down through family lines? What are the symptoms of demonic activity in a person's life? Having sold more than 350,000 copies worldwide, this bestseller will help the reader triumph in the battle against demonic activity by relying on the almighty and powerful Son of God.

This book is not about sensationalism and "demon" stories. In fact, the author strongly warns against such harmful interest in the occult. The Adversary is a totally Biblically-based study on "the world, the flesh and the devil" as revealed in Scripture. It focuses on the balance Christians should have between having an awareness of Satan and his schemes, while not giving him any glory by focusing more on him and his power than on his total defeat on the Cross. This is an excellent book regarding the authority of the believer. Christians need to know what the Bible says regarding this Enemy, so that we will not give place to him in any way. Praise the Lord for the victory He has

already won!

Mark Bubeck writes with depth and clarity about the Adversary and his cohorts. He clearly speaks both from experience and as one who knows that he is the property of Jesus Christ. I have personally struggled with the challenges Dr. Bubeck describes and know of the great difficulty to free oneself from this oppression. The Bible clearly states that Satan is the ruler of this world, that believers will be oppressed and that in Christ we have victory. While it is understandable that non-believers sneer at these ideas for those who are of the flock of The Lord to deny this basic truth is at best puzzling. Can Paul be any clearer, "... we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness ..."? The prayers and guidance that Dr. Bubeck provides in this book can truly change your life and the lives of those for whom you pray intercessory prayers. I cannot recommend this book highly enough. For this cause I bow my knees unto the Father of our Lord Jesus Christ, Of whom the whole family in heaven and earth is named, That he would grant you, according to the riches of his glory, to be strengthened with might by his Spirit in the inner man; That Christ may dwell in your hearts by faith; that ye, being rooted and grounded in love, May be able to comprehend with all saints what is the breadth, and length, and depth, and height; And to know the love of Christ, which passes knowledge, that ye might be filled with all the fullness of God.

If there was one quick book you wanted to read on the subject of Spiritual Warfare, this would be it. It is to the point on most issues and easy to read. There are several great examples of types of warfare prayers and lists of what to look for as far as spiritual oppression. All in all a must for anyone who feels led to this ministry.

Mark Bubeck's book, *The Adversary*, is an insightful and practical book which purposes to both open readers' eyes to the spiritual battle before them and to equip them with the tools necessary to claim victory over the adversarial kingdom of Satan. Throughout the book, Bubeck provides a portrait of Satan, a fundamental education on spiritual warfare, and proven strategic tactics for overcoming the enemy. The content thereof provides all Christians, whether laity or clergy, with the information needed to succeed in their ministries and encounters with the powers of darkness. In the first chapter of his book, Bubeck outlines the adversary as "three unique enemies which seek to defeat the spiritual life of believers...the world, the flesh, and the devil." Because the enemy is at war against God, due to being cast out of the heavenly realm, new believers become marked targets as

a result of their new relationship with Him. This is precisely the rationale for Satan's enmity against us and, therefore, the need for us to sharpen our offensive / defensive tactics. In subsequent chapters, Bubeck outlines the enemy, his kingdom, and their evil tactics in greater detail. Along the way, readers are also provided with recommendations and tools required to confront Satan boldly and victoriously. With the fabric of society being quickly torn apart, tensions rising across the globe, and the increase in natural disaster, it is clear to Bubeck and readers that the end is near and that Christ will soon return. As such, the author reminds us that "this means that united believers are going to have to become more proficient in their usage of their weapons of warfare." Satan knows his time is soon finished. Consequently, he will continue ramping up the frequency and intensity of attacks against believers in attempt to drive a wedge between them and their God. Based upon the broad base of spiritual warfare knowledge and proven practical tools to equip readers for success, this book should be read and studied by all Christians. There is no better time than now to equip yourself for battle. The victory has already been won and this book will help you boldly claim that victory over Satan.
