## Synopsis

Create your own colorful world atlas with the 21 maps in "The Map Coloring Book," and learn fun facts about each country as you explore the pages. Each hand-drawn map includes illustrations of wildlife, famous buildings, cultural traditions, and other iconic features of the region. Kids can color in each page as they learn, and each map is perforated so that it can be displayed on the wall. Two pages of flags from around the world are included, with color prompts so that kids can complete the illustrations and learn to recognize the symbol of each nation.
