Customer Reviews

I am happy to own this book and the new one with updated illustrations. I really like both. The text in this one is well suited for my three year old and older. The newer version is better for a bit older than three I think but my three year old still enjoys it.

I purchased this for our great granddaughter who will be here July 20th. Also purchased My First Book of Questions and Answers. It was requested at the baby shower that in stead of a card to purchase a book that would become a keepsake. Happy to say that this was the only Bible given at this shower. Sad too, thinking about it.

I bought this Bible many years ago for my daughters. It was red, and had a handle. Just about any

story in the Bible the pastor preached on was in there, so as he was preaching, I would help them open their Bible to that story picture. Also, it was important to me to have realistic pictures of the Bible, not cartoons, because I wanted to make sure that they understood the difference between a fairytale and the truth of God's Word.

I would recommend this bible for a child's 1st bible. You could give for a Baptism or Birth. It is very little reading and large pictures on each page. They will understand more about Jesus the more you read it to them. This is a good price and was exactly what I was looking for. I think the pink was so special for a little girl.
