I have purchased many copies of this book (The Holy Spirit; The Key to Supernatural Living) and at the direction of the Holy Spirit given them to people that God has directed me to give. I use this book in my ministry. One night I received a call from a ministry worker to tell me that a family member wanted to take his life. I ask God what to do and I received instruction to read something from this book. I opened the book to page 146 and read "A BALANCED LIFE", we prayed together and God had me minister to the person, receiving the Holy Spirit. The person received the Holy Spirit with evidence of other tongues on the telephone! He lives today. God is so good! Thank You Jesus!!!

If you enjoy being spiritually fed while learning about the scriptures, than this book is for you!! I have always heard people say things like "ask and ye shall receive", "pray in the spirit", "fast and pray", and "lean into God" I did all of these things and I never felt the presence of God, nor did I speak in a heavenly language. Whenever I would ask my brothers and sisters in Christ how do I receive the holy spirit, they always told me to do things that never worked When I read this book, the author

answered questions that saints could not answer, which was, what am I missing?! When I applied the practices that have been written in this book, I experienced the presence of God right then and there! It was amazing! And the anointing and presence of the Holy Spirit sat with me for hours! Thank You Bill Bright!! 'œ 'œ 'œ

Many Christians today live lives of defeat. They have accepted Christ, but they never really tap into the power for living that God has provided for his children. They have no enthusiasm, no zest for living, and no desire to convert anyone. Nor would anyone desire to be converted, because the evidences of Christianity, the fruit of the Spirit, is missing from their lives. Many Christians, and pastors, are suspicious of the Holy Spirit, since they see the excesses of certain televangelists who have misused this power. Dr. Bright does a good job of showing exactly why the Holy Spirit came, to glorify Jesus, not to give you a yacht. Not a lot of Christians know who Bill Bright is anymore, and, sadly, Campus Crusade for Christ isn't the powerhouse it once was since his passing. But there was a time, especially in the 70's, 80's and 90's when they were taking the world by storm, by the power of the Holy Spirit, for Jesus. This power is as available to Christians today as it was to the first century church of Acts. Read this book and you will never be the same.

Bill Bright has written a book that is truly inspirational. Bill Bright writes about how to give the Holy Spirit the freedom to move and work in your life. This book is about taking self off the throne of your life and giving the Holy Spirit the control to do what He wants in your life. Filled with Scripture, you'll want to read this book again and again.

This is a great down to earth explanation of the Holy Spirit and His place and purpose in the Trinity. I love the book and it has given me great insight and encouragement in my walk after the Saviour.
