Exodus: Ignatius Catholic Study Bible

Synopsis

Large format, featuring large text size and additional margin space for personal annotations! The larger format enhances both individual and group study. Based on the Revised Standard Version - Second Catholic Edition, this volume leads readers through a penetrating study of the Book of Exodus using the biblical text itself and the Church's own guidelines for understanding the Bible. Ample notes accompany each page, providing fresh insights and commentary by renowned Bible scholars Scott Hahn and Curtis Mitch, as well as time-tested interpretations from the Fathers of the Church. These helpful study notes explain what the biblical authors often assumed. They also provide rich historical, cultural, geographical and theological information pertinent to Exodus. The Ignatius Study Bible also includes Topical Essays, Word Studies and Charts. Each page includes an easy-to-use Cross-Reference Section. Study Questions are provided for Exodus. These can deepen your personal study of God's Holy Word. There is also an introductory essay covering questions of authorship, date, destination, structure and themes. An outline of Exodus is also included.

Customer Reviews

I bought the Kindle version of this study Bible. Having also a paper version of the Ignatius Study Bible, New Testament with commentaries by Scott Hahn and Curtis Mitch, I had high expectations for the Exodus Study Bible. I was not disappointed. The RSV-2nd Catholic Edition text is a

translation to love, to study and to use in one's private devotions. The editors provided great commentaries of their own and of the Fathers of the Church. This is one thing I love about the Ignatius Catholic Study Bible: you get the benefit not only of modern scholarship but also of the wisdom and learned experience of Christian giants who lived for and shed blood in defense of the faith in times past- the Fathers of the Church, saints and martyrs. One can also look into the Catechism of the Catholic Church articles referenced in the Bible text for further guidance. Navigation is good in my Kindle Touch. But I wasn't so excited about the formatting. The main text of the RSV-2nd CE is smaller than the commentaries. You can increase the size of the main text, but this will also increase the size of the commentaries. Did they make a formatting error here, like they switched the format? Navigating from the commentaries back to the main text sometimes produced two sizes of font on the page: one part the usual smaller font, and the other part as big as the commentaries. (Ignatius please provide an update on this and correct the formatting. You can just use the same size font for main text and commentaries.) Speaking of the Fathers one thing that stood out were the essays on Mosaic Ceremonial Laws: Occasion and Purpose. These alone are worth the price of the study Bible! They are commentaries from some of the Fathers of the Church on the golden calf incident.
