Great Lives Series: Joseph: A Man Of Integrity And Forgiveness (Great Lives From God's Word)

Synopsis

In Great Lives: Joseph, Charles Swindoll reveals to us a man buffeted with the same kinds of problems we face today, whose tenacious faith in God ultimately won him great honor and achievement. No family today is more dysfunctional than Joseph's was. No one faces greater temptation than that which Potiphar's wife offered Joseph. No faith is challenged more severely than was Joseph's on death row. Yet Joseph stood firm, exemplifying what is possible when ordinary people maintain their connections with God. Like an epic novel filled with intrigue, tension, and torrential emotions, Joseph's triumphant story touches us all. Great Lives: Joseph presents a fresh look at one of the most intriguing characters in the Old Testament and focuses on the virtue of forgiveness in the face of deceit and betrayal.

Never have I read with such diligence a story with such meaning, character and direction as: "Joseph: A Man of Absolute Integrity." From the first chapter to the conclusion, Joseph's story, as it is recounted and explained by Charles Swindoll, provides twentieth century explanation, definition and direction of historical records and writings for the reader. You will not want to put it down until your finished reading it!!!

Although my favorite Joseph book is 'With Joseph in the University of Adversity: the Mizraim

Principles', by Dr. Parks, this one is a close second! If you want a pastor's heart in the telling of the story--this one is best! If you want sound principles for everyday life that you or a graduate can use, and really well-organized--go with Parks (if you can get your hands on a copy!). Swindoll does this as part of a series, and it's excellent! These are the best two Joseph books around.

Mr. Swindoll has done it again! Just like in his books, "David" and "Esther", he has taken the life of Joseph and made it so relevant to the trials and triumphs we face in 1999. Everyone who wants to see what the power of God can do in a life should read this book. Thank you Mr. Swindoll, your words have made a difference in my life.

With the lack of integrity now days it is a breath of fresh air to take a stroll through the life of Joseph. I've never known Joseph until I read this book. Mr. Swindoll has done a wonderful job at bringing Joseph to life. Chuck mentions in this book that he believes it's his best piece. I would agree. If your having trouble with a teen or just a good read this is it! It teaches sexual purity, patience, faith and Integrity. All from a biblical stance. Not many books can impact a person or life as much as this book did to me. This book has been Spirit blessed. This book has changed my life and I know it will change others. I laughed and cried.

Once again, Charles Swindoll has brought a biblical character to life. I felt as if I was going "through" with Joseph! Mr. Swindoll makes it easy to relate what happen to Joseph with his family relations to today's family. If you're having difficulty relating to the trials and tribulations your family faces, read this book and get a revelation from God!

This book on the life of Joseph, has given me insight into what dynamic faith can do in a person's life. It is a story of perseverance by one man to do the right thing in spite of what will happen to him....and his reward for continuing steadfastly to be used for God's purpose, in spite of difficulties and discouragement; .Chuck Swindoll is one of my favorite authors and his series on Great Lives from God's Word is stellar. Joseph is beset by many of the problems that afflict us today...and some that none of us would ever think of being afflicted with!...but whose faith is a model for us all and shows what God will do in our own lives if we will but have a faith like that of Joseph.

Another great book by Charles Swindoll. I have read his books-Jesus, David, Esther, Joseph, Moses and Paul. All are good, but this is one of my favorites-along with Jesus and David. Highly

recommend!

Much like with the first novel in this series, "David", this book is not only wonderfully written and explained, but inspires great strength in the reader. Also like "David", "Joseph" should be read with the intent of learning, of bettering one's self, not for strict entertainment value alone (although the book is highly entertaining). Another tool for the modern day Christian, and another wonderful book from Swindoll though the power of God.
