# Habakkuk For Small Groups (Query The Text)

Synopsis

Asking good questions is the key to understanding. The Query the Text Series gives you the ability to teach through whole books of the Bible in the natural rhythm of question and answer. Each lesson is designed to be highly interactive and to fit within a thirty to forty-five minute window of time. The hope of the Query the Text Series is to give teachers an inexpensive option for adult curriculum that both increases the interaction level of their small groups, keeps its focus on biblical exposition, and traces out the gospel trajectories in every book of the Bible. Check back to find other Old and New Testament books being released in the Query the Text Series.
