The Honey Hunters

Synopsis

In a retelling of an African folktale, a young boy and several animals form a joyful and harmonious procession through the bush, following the call of the "honey guide" to the sweet destination of the bees' honeycomb.

Grade Level: Preschool - 2

Customer Reviews

The illustrations in this book are lovely. The story has a nice tone, a little fable-ish, but in a good way. But the illustrations are what lift it to four stars.
