## Customer Reviews

I have to admit: Only a few years ago I was quite convinced that Oswald Chambers simply could not be worth reading. I had first heard of the man through the context of a sudden rush of interest that seemed to be spearheaded by the Christian music industry. Several Christian artists banded together to record an album and the devotional classic *My Utmost For His Highest* was packaged with it. I assumed, somewhat unfairly, that if he garnered this amount of interest from Christian musicians there must be something wrong with him. I am ashamed to admit this today. In the last few years I have come to develop an appreciation for the life and ministry of Oswald Chambers. I still know only very little about the man but have come to see an almost prophetic aspect to his writing. Much of what he wrote almost 100 years ago seems as relevant today as it was then. There were some strange and even unbiblical aspects to his ministry, but what shines most clearly about Chambers' life is his all-out devotion to Christ. He knew the Savior deeply and profoundly and sought to submit his life entirely to the Lord. Oswald Chambers (1874-1917) was born in Scotland,

where he also spent most of his youth. He was a gifted artist and intended to follow that path in life until, at age 22, he felt called into the ministry. He studied (and later taught) at a small seminary in Dunoon and, upon graduation, taught and preached in Britain, America and Japan. In 1910 he married Gertrude Hobb, whom he affectionately called "Biddy," and soon after opened a Bible College. When war engulfed the world, Chambers left the comforts of home and left for Egypt to be chaplain to British troops stationed there.
