A Layman In The Desert: Monastic Wisdom For A Life In The World

Synopsis

Orthodox Christians today have no lack of resources on monastic spirituality. And yet startlingly little has been done to critically engage the monastic tradition and adapt its ancient wisdom for the Orthodox faithful living in today's complex society. A Layman in the Desert aims to bridge this crucial gap. Working with the Conferences of St John Cassian, Opperwall constructs a kind of relationship handbook that shows us how the desert saints of old can help us build healthy, Christ-centered relationships with our spouses, children, friends, and coworkers.
