The Power Of The Tongue

Synopsis

Words have played a vital role since the beginning of time. In the book of Genesis, God created the world and everything in it with His words. Today, as believers, we have the same God-like ability to speak those things which be not as though they were. Through God's Word, Kenneth Copeland reveals the Bible secret of words and the vital importance of using the tongue to create rather than destroy.

This book presents the dangers of just "speaking" things. It shows that we can "cut off" the blessings of God by our words. Read this book then read "The tongue a creative force" by Charles Capps

ANOTHER GREAT FAITH TEACHER. Ken Teaches: It's Important to remember with Faith to keep One's Character And Not To Steal From More Talented/Blessed People Out of Greed, Jealousy Or Envy; To Always Be Honest With Yourself and Confess Openly Your Sins. Who Wants Ill Gotten Gains If You Know You Didn't Earn Them and You Had To Lie To Get Them. That's Violence Towards God. Sin. Yes. Sin. You have to have the Character To Seek Repentance From Those You Have Failed Or Taken From. Redemption Requires Repentance Which Requires Confession To Achieve God's Blessings. Admit What You Did, Apologize and Move On Like A Man.

This book holds insights regarding what we say and how we can change from speaking like the world because we aren't of this world. Absolutely amazing.
