Thirty-One Prayers For My Wife: Seeing God Move In Her Heart

Synopsis

Marriage is one of the most beautiful things God ever created & prayer for your marriage is one of the most essential parts of sustaining a Christian marriage. Prayer is the gift God gave us to be able to have direct access to His throne room to communicate with Him. This book of 31 marriage prayers is purposed to encourage and guide you as you pray for specific aspects of your wife's life and character. My hope is that this marriage resource motivates you to intentionally pray and petition for your wife and your marriage on a daily basis through the power of prayer. There is even free writing space for you to add your own thoughts and prayers to each marriage prayer, to make them your own, and to lift up specific prayer requests your wife may have. I urge you to consider the importance of being a husband of faithful prayer, to commit to praying for your wife and marriage daily, and watch God move in both your hearts! If you have been blessed by the marriage book, "Power of a Praying Husband by Stormie Omartian", you will also be inspired by 31 Prayers For My Wife. This compilation of marriage prayers was carefully composed based on areas of life that almost every wife faces. As you use this resource to pray over your wife you will: Be encouraged to pray for specific areas of her life. Be challenged to make prayer a priority in your marriage. And your heart desires will align with God's

Customer Reviews

This prayer book has been a blessing. Praying these prayers out loud to your wife will become a rewarding experience for you, your wife, and your marriage. There is no more important time you can spend each day than with the Lord praying for each area of your wife's life.

When I say, It's OK, I mean the content of the book. The price was decent & decent shipping time. The content of the book, meh, I'm not in love with it. The book is part of a set. The wife's book to the husband is very critical, like he did something really bad against their marriage. And his book is almost apologetic, like he's making up for it? A lot people seem to like this set, not us I guess.

I don't pray for my wife as often and the way I should, so I needed a little help. I sampled this book and enjoyed the wording and the passion of the prayers so I bought it and I have been using it every day to pray for my wife. It is a great book for men who may not know how to pray for their wives. It covers it all.

If you're looking to get closer to your wife there is no better way than to pray with her. I prayed these prayers over my wife daily and our relationship shows it. I started over today.

Absolutely awesome book! I read a prayer everyday to my wife from Afghanistan.

I got the set as a way of my wife and I growing closer together as well as together seeking after God. We have been blessed by the first couple of prayers so far. We are excited to continue this 31 day/prayer challenge. I highly recommend it!

I bought this book for my husband and the only reason I am not giving it 5 stars is because I think it could be more husband friendly. I would like to see a built in bookmark and also to have the scriptures printed up instead of just the verse listed.

My husband and I started these books together and I never saw him so invested and heartfelt before! Such a wonderful way to connect with God and your spouse!
