# Antique Book "Be Strong & Courageous" Bible / Book Cover - Joshua 1:9 (Large)

## Customer Reviews

I really liked this case. However, it would not fit my bible, my bible was too thick. Make sure to pay attention to the sizes, you will want to know the internal size not overall. I misread, but the product was really nice. I wish it would have fit my bible.

Glad I purchased this cover for my bible. It zips nicely for traveling; and, the handle is comfortable for carrying. The material quality is very nice; feels very soft. I purchased this one in particular because of the bible verse quoted: Joshua 1:9; it has special meaning to me because of someone close to me who died. I believe I will have this cover for a long time, as it has a very substantial feel to it.

This is a really nice cover. The lettering and picture on it is nice. The size is a little too big for the bible but we kept it anyway. Compared to other covers, this one stands out and the verse on it is a great one!

This is a beautiful Bible cover. Bought for a friend for his birthday and he absolutely loved it. I was worried about the size and it being too tight of a fit, because that would put stress on the Bible when opening and closing. It was large enough for a large Bible and it had room to move around, just enough as to not tear anything in the Bible. The colors are awesome and the Bible Verse was printed just right on the cover. It has gorgeous detail. It came with a styrofoam type piece inside, so it was not bent or wrinkled in any way. Very pleased with this purchase!

Excellent! This cover is both beautiful and great coverage. Very nice. If I was to complaint about anything it might be that the zipper pull MIGHT get a little deep when opening. I think it will do fine after I get used to it and it's broke in. Exceptionally nice

Nice, big cover that fits my study bible. I need the reminder to be strong and courageous!

Feels like real leather and looks fantastic!! Fits my large print NKJV bible and has a pen/marker holder.

I believed I was buying a bible and a book cover. Instead I have an empty book cover that is made from very cheap material and I've spent an hour trying to purchase a bible that will fit inside this

rip-off but I cannot find a single bible that is sized the same, including those suggested on the tag. If a company is going to market itself as "Christian" shouldn't it be MORE trustworthy - not less???
