The Passion Translation: 8-in-1 Collection

Synopsis

The Passion Translation Bible is a new, heart-level translation that expresses God's fiery heart of love to this generation using Hebrew, Greek, and Aramaic manuscripts, merging the emotion and life-changing truth of God's Word. God longs to have his Word expressed in every language in a way that unlocks the passion of his heart. The goal of this work is to trigger inside every reader an overwhelming response to the truth of the Bible, unfolding the deep mysteries of the Scriptures in the love language of God, the language of the heart. If you are hungry for God and want to know him on a deeper level, The Passion Translation will help you encounter God's heart and discover what he has for your life. Every morning I lay out the pieces of my life on the altar and wait for your fire to fall upon my heart. --Psalm 5:3 TPT

This box set includes The Passion Translation books Psalms, Proverbs, Song of Songs, John, Luke & Acts, Hebrews & James, Letters from Heaven, and Matthew.

I have numerous translations of the Bible. Never have I read a translation that I sense such a powerful anointing of God as I read. I have read and studied God's word for the past 42 years, and I find nothing in TPT that contradicts or opposes other translations such as KJV, NKJV, NLT, NIV, or others. This translation makes difficult passages clearer and easier to understand. It has been a tremendous blessing to me to have it. I am looking forward purchasing the remaining books as they are completed.

We love The Passion Translation! I was first interested in this translation after watching Brian Simmons on Sid Roth, and Brian shared how the Lord commissioned him to do this translation work. Well, that caught my attention! First, I downloaded "Luke and Acts" to my kindle to see if I liked it or not, and I liked it VERY MUCH! Why? Because many passages of scripture that I never understood were now understandable, and made perfect sense! I experienced this over and over again. I did not know that the Biblical Language of Jesus' day was Aramaic, and I have a Bachelor Degree in Theology! I was feeling kind of stupid when I learned that. In Bible Colleges, there is so much emphasis on the Greek language, and studies. Anyway, the only thing that I wish Brian would have done is to translate more passages from the Aramaic, instead of the Greek, or Hebrew Matthew (for the book of Matthew). In other words, he wouldn't translate using the Aramaic, but he put the Aramaic in the notes. Many, many times I loved the Aramaic - and I wondered why he didn't use it in the translation? I'm sure he had his reasons. This is a little thing, and how I am glad he gave the Aramaic in the notes! My wife and I have fallen in love with this translation, and my wife loves the small books/booklets in this collection. I, on the other hand, can't wait until he gets the whole New Testament done, and comes out with a leather bound N.T., and then the whole Bible. I hope that everyone will remember that all our Bibles, no matter what version we read, is a translation. My conclusion is that the English translations based upon the Greek alone are not the best, and that the translations from the Aramaic are more accurate, and understandable. Admittedly, Brian draws from both. Enjoy the Word of God in understandable English!

These are such a refreshing perspective on Scripture. I have been a Christian my entire life and a scholar of the Word, and these books have been so powerful! The way Mr. Simmons conveys the intention of the original authors leaves me seeing things in a whole new way... he has brought scriptures to life that I have read hundreds of times. "The wrap around love of God" WOW, just wow! I highly encourage you to read these books alongside a trusted translation so that you can get a feel for the story. Scripture will come alive in a new way! I also love the many footnotes! Thank you Dr. Simmons!

This translation of the Bible has breathed new life into me! It's like reading a love letter from God! I've gotten so much out of it I've bought the complete set currently available for other people to enjoy. It provides a fresh understanding of what the original Hebrew and Greek texts mean, and brings the scriptures down to where I live. I intend to buy every book of the Bible in this series as it is released. Awesome, wonderful translation!

I LOVE this collection. I've especially fallen in love with the Psalms, they are beautiful. Brian Simmons includes footnotes on every page. Footnotes include info like if there's another translation, for example, Greek and Aramaic. Both translations are given. In the Psalms footnotes include info on what in Hebrew is descriptive language, like when we say "it's raining cats and dogs". The author translates using what that expression would mean in our language and it makes powerful reading. Unlike the Amplified Bible, the verses aren't any longer than in any other translation. I'm enjoying the Epistles in everyday language, too. This really increases the relevance of the Bible for today.

Paraphrased editions of the Bible take a while to become popular. If you like the way the message reads, this takes it to a whole new studious level. I enjoy saturating in this new version of the Bible.

Wonderful translation using the original languages! I like that books separated since it would be very thick whole collection. These smaller books are easier to carry in my purse to have and study anywhere I go.

I haven't read all of them yet. But the passages I have read bring the Word of God to life in a new and fresh way. I love the study helps and historical information that is mentioned regarding his choice of how he interpreted the words he translated.
