Cowboys And Cowgirls: YippeeYay!

Synopsis

In words and pictures, this book captures all the excitement and adventure of the Wild West. Gibbons's colorful watercolors deftly recreate cowboys clothing, equipment, and lifestyle, and the lively text includes descriptions of famous cowboys and cowgirls, as well as historical facts. Full color.

Customer Reviews

The book is filled with information about cowboys and cowgirls. The majority of the book tells of their activities in the Old West. Their clothes, a roundup and a cattle drive is explained. On the cattle drive we meet the trail boss, wranglers, cookie and others. Their duties are explained. A map supplies the routes of the famous trails and names. The book is very imformative and will make a great supplemental tool in the classroom. Any little buckaroo will love the book.

This is an excellent book for the aspiring cowboy in your house. I have twin cowboys who are almost 4 and they love this book. Their daily attire are cowboy boots and hats, spurs and a side iron(plastic today). So this book helps with their imagination and curiosity. This book is a fun read for Daddy and Mommy also.

Daughter is a teacher and used it to explain our past to 1st graders. I'm old and grew up playing "cowboys" and "Indians", so I didn't realize that children know virtually nothing about the "wild west" and that part of American history. The children thought "cowboys" and "cowgirls" were male and female "cows".

Both my 2 and 1/2 son and his dad seem to like this book. The pictures are entertaining and there is a lot of good information for kids on the life of a cowboy. Certainly worth getting if your kids are interested in cowboys.

This is a somewhat "vintage" little book. I wanted it for my vintage cowboy bedroom I'm makeing for when grandkids visit and it is perfect. The service was fast and accurate.

My daughter loves it cause we can go threw it and name all the thingd in the book pluse it talks about a few famuse cowboys and coegirls. Def a book shr can groe with

Grandsons and granddaughters like this book, Opa needs something new to read to them every visit. Not just a story - a little history and equipment/tack truths.

Great children's book if they want to learn all about cowboys and cowgirls. Very informative and my granddaughter loved it.
