The Giant King

Synopsis

People say that Rabbie, the carpenter's son, is a dreamer, but the boy says he works from his heart, carving not what is, but what could be. When Rabbie goes to sell his carvings in a far-off town, he finds the townspeople besieged by a fierce and destructive giant. The townspeople despair, but Rabbie suggests that if the giant was treated like a king, he might behave like one. Readers will be charmed by the message of this heartwarming Scottish fable: that which is loved will reveal its loveliness.

Customer Reviews

An enchanting children's story, "The Giant King" teaches two very important life lessons. The first is that you have to look beyond the outward appearances of a person to see their true value as a person. The second lesson is that people often act the way we expect them to act. If we change the way we treat them they generally change the way they treat us. The story itself is set in Scotland where the young boy Rabbie has a special skill carving wood. As he travels he finds a village with a problem giant that terrorizes the village and steals their food. Rabbie teaches the villagers to see beyond the outward appearances of the giant and find the good giant inside. The book opens up a wealth of opportunities to discuss how our actions affect others, looking beyond the obvious, and cultural differences. The illustrations are colorful and hold a child's attention well. "The Giant King" is a highly recommended read for all children.

The Giant King is a colorful picturebook by Kathleen T. Pelley about the hidden potential within people's hearts. When a giant besieges a town, an inspired woodcarver reasons that if the giant is treated like a king, he may come to act like one... and with gifts, he sparks a transformation. The giant becomes a king in spirit, to the extent that he would protect his people with his life - as a true king must always do. Charmingly illustrated by Maurie J. Manning, The Giant King is a heartwarming and thoughtful story.

Beautiful and meaningful tale with a great cultural setting! My son and I love this book, and have referred to it in discussions on handling difficult people. Wonderful read-aloud with a great message-- will provoke conversation with your child!

A book for all to read disguised as a children's book. Everyone should read this book about seeing the beauty within. Beautifully stated.

This is my wife's new favorite book! She loves reading The Giant King to our grandchildren. It is an inspiring story.
