Customer Reviews

The pictures were kind of "modern? Made it look creepy. Especially dealing with this subject. It didn't really mean too much for our girls. We ended up looking for "the Berenstain bears learn about STRANGERS" I had this as a kids and it clicked with our girls. It's one of their favorite to pick out for reading time

Tells who and who isn't a stranger. How to react if a stranger approaches. Overall, good for my 7 year old.

Good book

I would like the book to mention not only about 'strangers' but people who the child know because

90% of sexual predators actually know the child but any book to bring awareness deserves stars.

Jori

I love the different scenerios in the story! The book can help young children understand stranger safety.
