Raising Kingdom Kids Participant's Guide

Synopsis

This Participant's Guide is a companion resource to the six-week DVD-based curriculum Raising Kingdom Kids with teaching by Dr. Tony Evans. Recommended for every participant, this Participant's Guide helps parents tackle the critical assignment of raising children who are spiritually strong and prepared to take on the assignments God has for their lives. The six sessions included in Raising Kingdom Kids Group Video Experience provide practical examples and illustrations to help parents grow kids' faith, with specific instruction in the power of prayer, wisdom, love of God's Word, getting through trials, controlling the tongue, developing patience, and the surrender of service. One sample Participant's Guide is included in the Group Video Experience, and an additional copy is recommended for each group member.

Customer Reviews

Make sure you order the dvd or cd with this guide. I'm guessing, based on the book "Raising Kingdom Kids" and the devotional, that this would be a five star resource but the item description doesn't let you know you know to order a disc. It tells you "others who bought this item often bought these items..."

I really don't agree with the views this book has, at least within the first 2 chapters, because that's as far as I read and participated in the bible study, but I supposed it's a good study if you plan on sheltering your children from all the dangers of the world, I just don't believe that's the way to raise them. That you can raise them to be Christians without sheltering them and making Christian life the only thing they know. I don't think it's practical.

Did not know I needed a DVD's or cd to go with this book

We are using this product in our Children's Ministry at church. We love it! And, it was delivered quickly with no problems.

Love!!! Fast delivery too!!:)

Great book.
